Report on World Environment Day

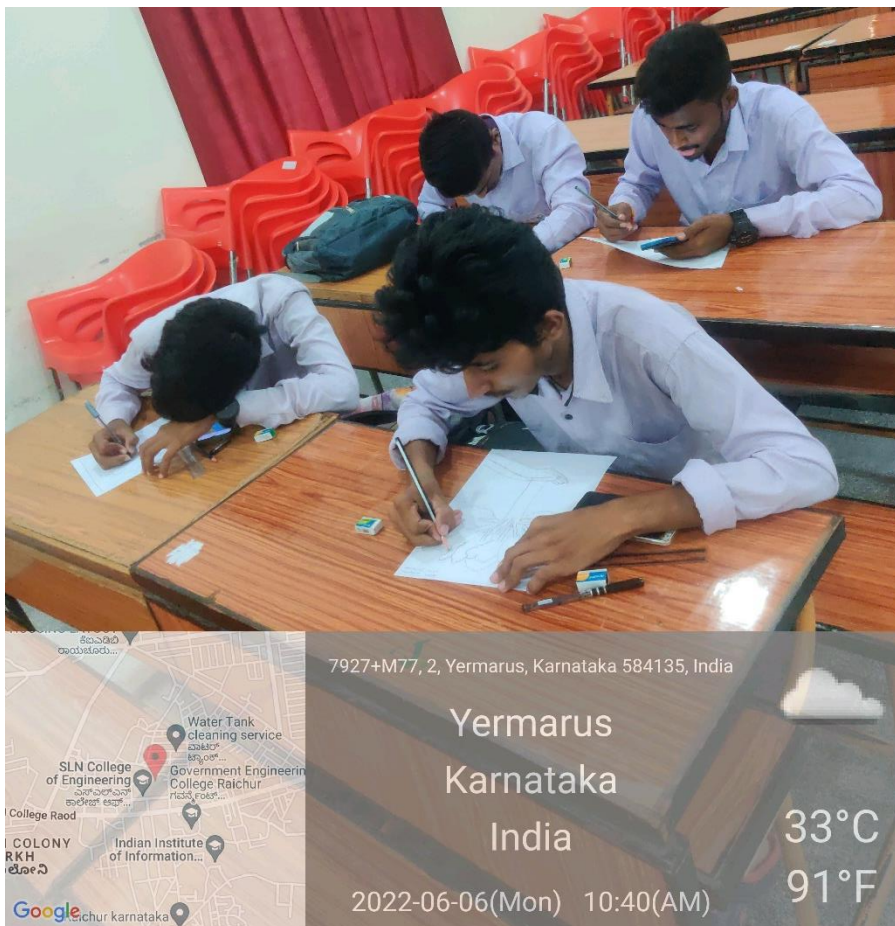

June 5th is the day celebrated as World Environment Day throughout the globe. As it fell on a Sunday, our institute decided to work on it on 6th of June, 2022. Drawing Competition was held among the students on theme "Do your bit to save the Environment" to spread awareness about the importance of Environment.

The members of the JCI were invited on 9th of June to celebrate and award the winners of World Environment Day drawing competition. The esteemed guests of JCI included, R. P. Bangar Raj, President of Raichur division.

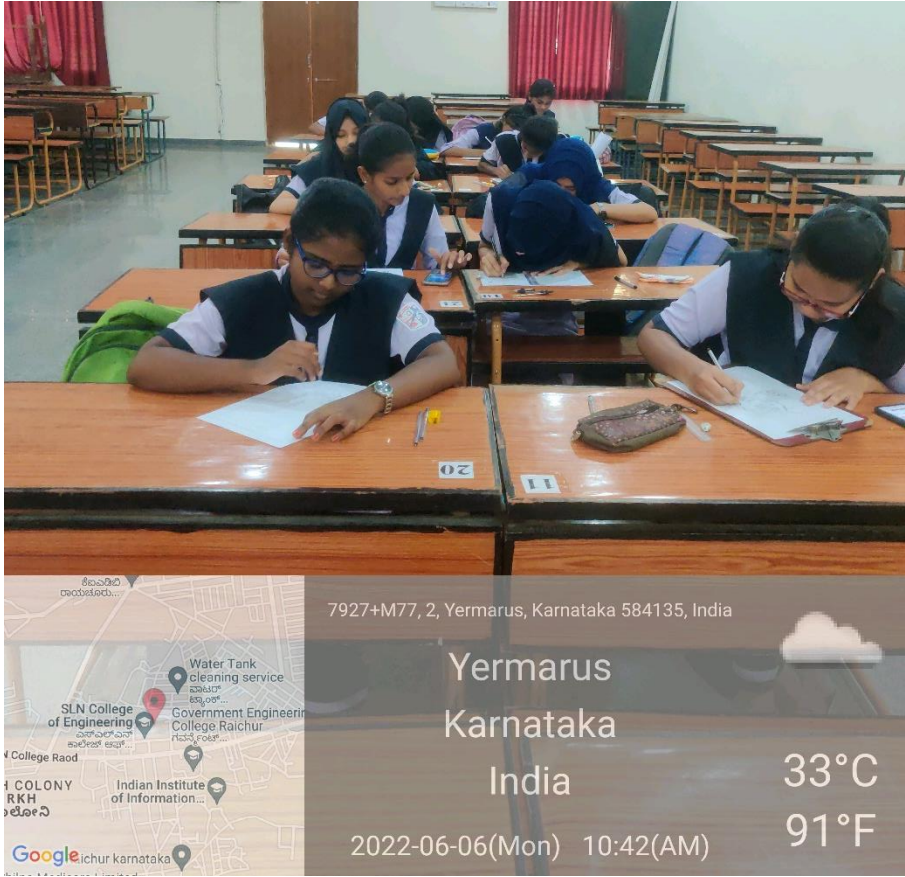

Speaker from Green Raichur, Mrs. Saraswati was also invited to spread awareness among the students regarding how to use materials that are less harmful for the Environment when decomposed and various uses of organic, recycled materials.

The day ended with awarding the winners of the competitions with saplings and the winners planted the saplings in the quadrangle of the campus, pledging to take good care of their saplings in the future.
