

H. K. E. Society's S. L. N. College of Engineering, Raichur

**A Webinar on  
“Engineering Research Academia: How to Address the Challenges”**

Organized by Department of ECE- Research Centre in Association with IEEE Student Branch and IEEE NKSS

02<sup>nd</sup> September 2021

11:00 am to 12:30 pm

Platform: Zoom Meeting App

No. of Participants: 34

A webinar on “**Engineering Research Academia: How to Address the Challenges**” was organised on 2<sup>nd</sup> September 2021 by IEEE Student Branch and in association with IEEE NKSS. The webinar was aimed at bringing awareness about Facing and sustaining challenges in Engineering Research in today’s scenario.

Miss. Manasa Chair, IEEE Student Branch welcomed the gathering.

Dr. Vishwanath P. Associate Professor, Electronics and Communication Engineering Department and Counselor- IEEE Student Branch introduced the Speaker.

The resource person Dr. Debatosh Guha Professor, Institute of Radio Physics and Electronics, University of Calcutta delivered webinar on “Engineering Research in Academia: How to Address the Challenges”. He spoke on goals, opportunities and challenges of Engineering Research in academia. He stressed on involving in research work without expecting any recognitions which will come any way when one establishes himself/herself in their field. The session was very interactive and informative.

The feedback was collected and overall feedback for the webinar was excellent. Participants have requested for an offline sessions.

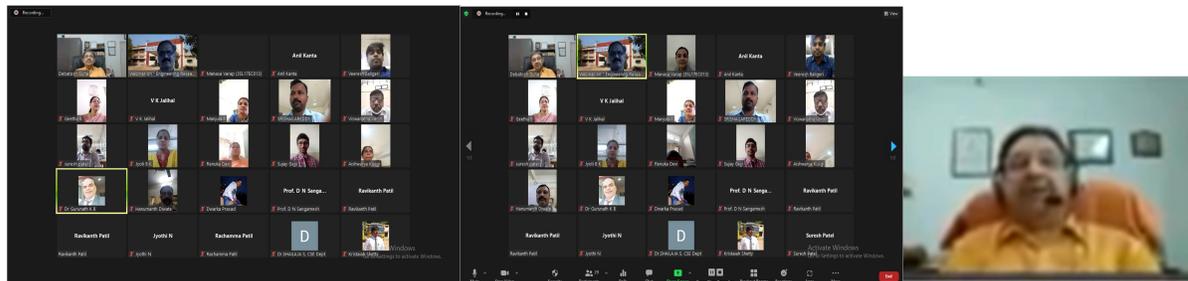

The program was coordinated by Mr. V. K. Jalihal, IEEE Professional Member & Assistant Professor, Department of Electronics and Communication Engineering, SLN College of Engineering, Raichur. Total of 34 participated in the event including Faculty members, research scholars and students.

In the end, Mr V. K. Jalihal, thanked the Resource Person, Chair of IEEE NKSS and all the participants for attending the webinar. He extended gratitude to H. K. E. Society’s Management, Principal & all the faculty of ECE, S. L. N. College of Engineering for providing all kind of facilities and support in organising the event.
